The purpose of each Bauer Compressors, Inc. Training Course is to provide our customers and service technicians' basic understanding of the operation, maintenance and repair procedures of Bauer compressor and its associated systems and sub-systems.

At the completion of each course, students should be able to perform the basic operation, routine maintenance and basic repair procedures required for their Bauer product.

Class availability is limited and pre-registration is required. To reserve a seat in a training class, each student must submit the attached training school application with a non-refundable deposit of \$175.00. The deposit **MUST** be paid by check or credit card **only**. The balance of the course fee must be paid in full prior to the start of the chosen session.

All class fees are non-refundable. If a cancellation is received prior to (30) days of the scheduled class date, applicant will be giving credit to attend a future class date (subject to availability). If cancellation is received less than (30) days of the scheduled class, applicant will forfeit there deposit of \$175.00. The remaining balance will be giving as a credit to attend a future class date (subject to availability) and an additional \$175.00 deposit will be required. If a student fails to report at the beginning of their scheduled class without notice, the entire course fee will be forfeited. Emergencies will be handled on a case by case basis.

Bauer Compressors, Inc. takes great pride in presenting our students with an excellent training opportunity and will work with you to ensure your training requirements are fulfilled.
