

CONDITIONS OF SALE

Conditions: No terms or conditions contained in any order placed with BAUER Compressors, Inc. ("BAUER") other than those stated herein, and no agreement or other understanding in any way modifying these Conditions of Sale ("Conditions") shall be binding on BAUER unless hereafter made in writing and signed by its duly authorized representative. The purchaser ("Purchaser") shall be deemed to have agreed to the terms hereof by signing BAUER's credit application or upon receipt of any of the goods to which BAUER's sales quotation, sales order confirmation or invoice relates. The agreement between BAUER and Purchaser shall consist of the terms on BAUER's sales order confirmation and these Conditions ("Agreement"). BAUER hereby rejects and objects to any additional or contradictory terms in Purchaser's purchase order or other documents relating to the products.

Prices: The possession of BAUER Price Sheets by any person is not to be construed as an offer to sell the goods listed thereon at prices stated. All prices including those on Order Confirmations are subject to change without notice. Prices in effect at time of shipment will prevail. Surcharges for unusual costs beyond the control of BAUER may be added from time to time and will be based strictly on the economic condition that warranted the charge.

Terms of Payment: Terms are Net 30 days from date of invoice with advanced approved credit. If in the opinion of BAUER, the financial condition of the Purchaser at any time does not justify continuance of production or shipment on the terms of payment specified, BAUER may require full or partial payment in advance. Equipment held for the Purchaser shall be at the risk and expense of the Purchaser. Interest at the rate of 1.25% per month will be charged on past due invoices for a total interest rate of 15% per annum. Orders for standard product in excess of \$75,000 will require a down payment, at time Purchaser submits order, in the amount of 25% of the order total. Orders for Engineered to Order or Modified to Order (Customized) or Exported equipment require the following payment plan: 25% paid with Purchase Order; 25% paid with Approval Drawings/Documentary Submittal; 40% paid prior to Shipment and 10% paid upon installation and start-up (without regard to other payment terms on standard product). The use of credit cards to pay any past due amounts will result in a convenience charge of 3% of the value being paid.

Security Interest: BAUER shall have a purchase money security interest in the goods sold hereunder and shall have all of the rights of a secured party under the Uniform Commercial Code as it has been adopted in Virginia.

Delivery

- (a) On sales made FOB point of shipment, goods in transit are at the Purchaser's risk and all claims for loss or damage must be filed by the Purchaser. Unless otherwise indicated, all sales are FOB point of shipment (Norfolk, VA unless otherwise indicated).
- (b) BAUER shall not be liable for any delays or defaults hereunder by reason of fire, floods, acts of God, labor troubles, inability to secure raw materials, acts of government, pandemics, or other causes beyond its reasonable control. In the event of such delay, the date of delivery shall be extended for a period equal to the time lost by reason of delay.
- (c) Freight and crating are not part of the sales price unless specified on the order. The Purchaser is responsible for all packaging costs related to shipment. BAUER is not responsible for shipping damage, whether concealed or visible, and any claim must be filed with the carrier.
- (d) In the absence of a shipping address provided to BAUER by Purchaser, in writing, BAUER will ship to the Purchaser's "bill to" address on file with BAUER. Orders that Purchaser requests to be reshipped to a different address will be shipped at the Purchaser's sole expense.
- (e) Unless Purchaser takes shipment of products ordered by Purchaser upon BAUER's completion of the products, in accordance with this Agreement, at the time of BAUER's completion of the products, BAUER may invoice Purchaser for all remaining amounts due for the products and Purchaser shall pay BAUER such outstanding amounts in accordance with the terms of payment in this Agreement. (BAUER will apply all previously received deposits or payments as partial payments for the products.) In addition, Purchaser shall pay BAUER storage charges on the held products, until BAUER ships the products to Purchaser. Title and risk of loss to such completed products being held by BAUER shall transfer to Purchaser upon BAUER's completion of the products, subject to BAUER's purchase money security interest, unless otherwise agreed in writing between BAUER and Purchaser.

Taxes: Prices are exclusive of any use, sales, excise or similar tax, federal, state or local, which has been or may be imposed with respect to the sale of personal property or services hereunder, to the extent legally permissible. Any such tax shall be the Purchaser's responsibility.

Acceptance and Cancellation of Orders: All orders are subject to approval and acceptance in writing by BAUER at the office of BAUER in Norfolk, Virginia. Any cancellation of orders by Purchaser after one week of placement will result in a cancellation charge of 20%.

Ownership: BAUER uses its own proprietary information and intellectual property, combined with commercially available off the shelf products, to manufacture BAUER products. Accordingly, in the absence of an express written agreement to the contrary, signed by BAUER, BAUER reserves the right to sell any BAUER product to any of its other customers, even a product that has been designed and customized for a specific Purchaser need or purpose, to a Purchaser's specified design, or with Purchaser's design input. Any Purchaser claim of exclusivity for a particular BAUER product, or any claims of specific intellectual property or proprietary information protection asserted by Purchaser, as to any particular BAUER product, must be asserted, in writing, in advance of BAUER entering into a binding contract with Purchaser to manufacture or sell a BAUER product for the Purchaser, or any such claim will be forever waived. Nothing contained herein shall, or shall be deemed to, assign, transfer or convey any BAUER proprietary information or intellectual property to Purchaser. BAUER expressly reserves for itself and retains all proprietary information and intellectual property, and all rights, title and interest in and to all such proprietary information and intellectual property. Any suit must be filed within one (1) year of the claim arising, or the suit will be barred by the parties' agreement herein to a one-year statute of limitations.

Changes: Notice of changes in orders must be made and accepted in writing by BAUER. If work is in process for special equipment, Purchaser will be charged accordingly. **Any sales order change requested after the date reflected on the sales order (the sales order change window) will incur a change order fee of \$100 or 3% of the sales order value, whichever is greater.**

Material Returned for Credit: New part returns and warranty returns must be handled expeditiously. This provision shall apply to all claims, regardless of when those claims arose or accrued. BAUER reserves the right to bring in court any claims for equitable relief, including specifically for injunctive relief and to bring any claims for recovery of outstanding invoices directly in court, foregoing the negotiation and arbitration otherwise called for in this paragraph. For matters not subject to arbitration, as set forth above, any action at law, suit in equity or judicial proceeding relating to this Agreement or any provision hereof (including any suit to compel arbitration) shall be instituted only in the applicable Virginia state court situated in Norfolk, Virginia or in the United States District Court for the Eastern District of Virginia, Norfolk Division.
